For families and commuters alike, the property is perfectly positioned within walking distance of excellent local schools and nurseries, with the vibrant High Street and Central Line Station just a short half mile stroll away.

Perched near the end of Langley drive, the home enjoys a prominent position opposite St Mary's Avenue with the historic St Mary's Church providing a beautiful landmark at the end of the road. Inside, the property is defined by exceptionally well-proportioned rooms and a wealth of original character.

You are welcomed by a spacious and inviting entrance hall featuring high quality Amtico flooring and stunning original stained glass windows that offer a graceful nod to the home's heritage alongside the original staircase banisters.

The ground floor layout is designed for flexible family living, featuring a bright front sitting room with a large bay window and a truly impressive rear reception room that spans over twenty four feet in depth. This vast space opens directly onto the rear garden through sliding doors, creating a seamless indoor outdoor flow.

The recently fitted modern kitchen is finished to a high standard with elegant quartz countertops and a sleek design, yet it offers the exciting potential to be combined with the rear reception room to create a magnificent open plan family hub.
