Occupying an enviable location overlooking the expansive green spaces of Epping Forest and Hollow Ponds, this property enjoys a picturesque setting while remaining conveniently close to excellent local amenities and transport links. The property is within one mile of three Central Line stations: Snaresbrook (0.5 miles), Leytonstone (0.6 miles) and Wanstead (0.7 miles) and is also within easy walking distance of both Wanstead High Street and Leytonstone. Approached via a generous front garden, the attractive red-brick façade is enhanced by characterful double bay windows, creating an impressive first impression.

Internally, the property offers spacious and well-proportioned accommodation throughout and presents an exciting opportunity for a buyer to modernise and personalise to their own taste. The ground floor comprises two substantial reception rooms, a spacious kitchen and a practical utility room with access to the rear garden.

Upstairs, there are three bedrooms, two of which are generous doubles, together with a shower room. Like many neighbouring properties, there is excellent scope for further enhancement, including a loft conversion, ground floor extension and the potential for a front driveway (subject to the necessary planning consents), allowing the creation of a larger, open-plan living space if desired.

To the rear, the low-maintenance garden features a combination of patio and lawn areas, bordered by attractive plants and shrubs that provide colour and interest throughout the seasons.

A useful rear access gate adds further practicality, making it easy to bring bicycles, garden equipment or outdoor furniture into the garden.
