The expansive grounds of Wanstead Park and surrounding forestland are also within easy walking distance, providing the perfect blend of city convenience and countryside charm.

From the outset, the property makes a wonderful impression, with its attractive double-bayed frontage, charming front garden, and private driveway.

Inside, the home offers generous and well-proportioned accommodation arranged over three floors, enhanced by a thoughtfully executed loft conversion. A bright and welcoming entrance hallway leads to an elegant sitting room, complete with a feature fireplace and a large bay window that fills the space with natural light.

To the rear, the property opens into a stunning open-plan kitchen, dining, and family area. Cleverly extended, this space has been designed to retain distinct zones while maintaining a seamless flow. The original dining room connects beautifully to the rear extension through wide openings, preserving architectural character.

The extension itself is flooded with light from striking skylights and features a relaxed seating area, offering flexibility for modern family living. The contemporary kitchen is a standout feature, with an impressive run of light grey units spanning almost twenty feet along the flank wall. A large central island and warm wooden worktops complement the solid wood flooring that runs throughout the ground floor. Fully equipped for modern living, the kitchen includes an integrated fridge-freezer and dishwasher. Sliding doors open onto the garden, creating a seamless indoor-outdoor connection and framing attractive views of the landscaped rear garden. A convenient ground floor WC completes this level.
