Queenswood Gardens is a well-regarded development of generously proportioned apartments, set within beautifully maintained communal grounds in the leafy Aldersbrook area. Tucked just back from Aldersbrook Road, the property also benefits from excellent transport connections, with a range of local bus routes. Wanstead Central line station is approximately 1 mile away, with Leytonstone Central line station around 1.1 miles away, while Manor Park station, approximately 1.4 miles away, provides access to the Elizabeth line.

Arranged over two floors, the apartment offers a sense of space more commonly associated with a house. Freshly redecorated throughout, with brand-new light, neutral carpets, further enhance the bright and spacious feel, while the overall condition provides an excellent blank canvas for a new owner to make their own.

The accommodation comprises a generous lounge and dining area alongside a separate kitchen, which semi-connects to the living space via a wide opening. This versatile arrangement could easily be adapted to suit individual preferences, whether that means creating a more open-plan layout, reinstating a more defined kitchen space, or retaining the current stylish semi-open-plan configuration. The kitchen features a range of neutral cream shaker-style wall-mounted and base units, complemented by a warm wood-effect work surface.

Upstairs, a spacious landing leads to two well-proportioned bedrooms and a large bathroom, which is fitted with a bath and overhead shower.

Further benefits include a share of the freehold, access to beautifully maintained communal gardens, a garage and a chain-free sale.
