“ A luxurious barn conversion combining heritage charm with modern design, set within the private Lower Poole Farm estate.”...

The Stables is an exceptional barn conversion, blending traditional stone architecture with modern design and high-end finishes. Set within the Lower Poole Farm estate, the property forms part of an exclusive collection of homes reached by a private road, offering both privacy and a sense of community.

- The Stables is move-in ready, beautifully presented, and thoughtfully designed for modern living.
- The open-plan kitchen and dining space upstairs is perfect for entertaining and daily life alike.
- The principal suite offers a dressing room, ensuite, and freestanding bath.
- Landscaped gardens, paved terraces, a versatile courtyard, and an upstairs balcony create a peaceful outdoor retreat.
- Just a short drive from Kingsbridge and its local amenities.

On the ground floor, the entrance hallway, leads to two generous bedroom suites, each with fitted wardrobes and ensuite shower rooms. A w/c connects to a utility and plant room, while a cosy living room provides a calming retreat. From here it leads into a newly created bar and day room, which in turn leads directly to the courtyard — a versatile space designed for entertaining and relaxed indoor-outdoor living.

Upstairs, the heart of the home is a striking open-plan kitchen and dining space. Complete with integrated appliances, a breakfast bar, and a large walk-in pantry, it has been designed with both practicality and style in mind. Exposed beams celebrate the building's heritage, while a snug opens onto the balcony overlooking the grounds. A ladder leads to a mezzanine level which provides a versatile space for reading or as an office area. Off the snug is the principal bedroom suite, a luxurious retreat featuring a dressing room, ensuite shower room, and a freestanding bath positioned beneath a Velux window. This space feels like a high-end hotel suite, the perfect private escape from the world.

Externally, the property offers landscaped gardens with paved terraces, raised beds, and lawns, designed to provide a choice of sun and shade throughout the day. A detached garage, with power and water connected, offers flexibility as a studio, games room, storage or the perfect multi-use area. Additional features include ample parking, secure electric gates, and a large bat house at the edge of the grounds. Flooded with natural light and beautifully proportioned. The Stables combines character, luxury, and practicality — equally suited as a main residence or a lock-up-and-leave home. It also benefits from a 10-year Build Zone warranty, with 7 years remaining
