The flat is furnished with high-end inventory items provided by SOHO.

Architecturally striking, ideally located, and offering outstanding residential, commercial and retail space to the designs of an internationally acclaimed team, EuroCity is a new benchmark of quality at the heart of Gibraltar's central business district.

Three slender towers, including Gibraltar's one of the tallest at 22 storeys with unrivalled views towards Spain and Africa, create a sustainable, residential resort of 330 apartments around a split-level podium of lush landscaped gardens and pools, served by an international-class porter facility, the first of its kind in the territory.

Welcoming public space at ground level, the attractions of lively retail, cafés and restaurants, and the further benefit of extensive car parking, confirm EuroCity as a prime destination within the central business district, and a valuable new addition to Gibraltar.

RESIDENT FACILITIES:
- Exclusive access to a Communal Swimming pool, jacuzzi with water jets and a children's pool
- State-of-the-art gym
- Landscaped private gardens with seating and rest areas
- Interior designed entrance lobbies and corridors
- 24 hour porter with post and parcel room
- Dedicated onsite maintenance team
