7 Dale Avenue, Stoke-On-Trent ST6 8AT

This well-proportioned three-bedroom semi-detached home, originally constructed as a two-bedroom home, has been thoughtfully converted to provide an additional bedroom, offering flexible accommodation ideally suited to First-Time buyers, Young Families or Downsizers.

Council Tax Band: A

The property is entered via a welcoming entrance hall, with stairs rising to the first-floor landing and access through to the main living accommodation. The good-sized living room provides a comfortable reception space and features an attractive electric feature fireplace, creating a focal point within the room.

To the rear is the kitchen, which benefits from a practical layout with scope for reconfiguration and/ or modernisation. There is also potential to create a kitchen/diner subject to the necessary alterations and permissions, providing an opportunity to develop a more sociable and contemporary living space.

To the first floor are two well-proportioned double bedrooms, together with a single bedroom, making the property particularly versatile for families, guests or those requiring a home office. The family bathroom is fitted with a bath and overhead detachable shower.

Externally, the property benefits from a private driveway to the front providing parking for up to two cars, together with an attractive low-maintenance frontage.

To the rear, a generously proportioned and versatile rear garden, has been arranged into two distinct sections. The principal section has been recently refreshed with newly laid gravel, creating a low-maintenance and practical outdoor space, with a paved pathway providing access to the end of the garden.

To the far end is a timber shed, currently utilised as a workshop, which benefits from both lighting and electricity, providing a useful space for hobbies, storage or home working.

The garden is enclosed by timber fencing, offering a good degree of privacy. A notable feature is the potential to reinstate the garden to its original full size, simply by removing the dividing fence, creating one larger and more open garden area.
