The accommodation briefly comprises an entrance hallway, bay-fronted lounge, and a particularly good-sized open plan kitchen dining room, providing generous ground floor living space, well suited to modern family life.

To the first floor, there are three bedrooms together with a family bathroom.

Externally, the property benefits from two separate driveways, a detached garage, and surrounding outdoor space, which offers further scope for enhancement. The property has already undergone some updating internally, however, buyers may wish to carry out additional works externally to fully realise its potential.

Of further interest, the property has previously benefited from planning permission to extend, which has now lapsed, but may still prove of interest to buyers looking at the longer-term possibilities the plot and position may offer (subject to any necessary consents).
