Forming part of modern constructed residential development built in 2023, the property is conveniently positioned for access to Biddulph, local schools, the Biddulph Valley Walkway and the wider Potteries area. The development itself incorporates areas of open space together with a children's play area, whilst nearby Chatterley Whitfield provides a distinctive local heritage setting with access to established walking routes and surrounding open space.

The accommodation is particularly well proportioned and includes an entrance hall, spacious lounge and a generous open-plan kitchen/diner, complete with French doors opening directly onto the rear garden and the added benefit of a walk-in pantry/store. There is also a useful ground-floor cloakroom/WC.

To the first floor are three bedrooms, including a principal bedroom with its own en-suite shower room, together with a separate family bathroom.

Externally, the property compares favourably with some homes on the development, benefiting from a wider side driveway providing off-road parking for two vehicles, together with a front garden and a good-sized enclosed rear garden. Predominantly laid to lawn, the rear garden currently provides a blank canvas for the incoming purchaser to landscape and personalise to their own requirements.

Being a relatively modern home, the property also offers the energy-efficiency, economical running costs and lower-maintenance benefits associated with a home of this age, together with the added reassurance of approximately 7 years remaining NHBC warranty.

With its competitive asking price, no onward chain, spacious accommodation, private parking and good-sized garden, this is an attractive opportunity to purchase a modern home within this popular development.

Externally

FRONT

The property is set back from the development with a lawned front garden and established boundary planting. A pathway provides access to the main entrance.

DRIVEWAY

A wider than average side driveway provides off-road parking for two vehicles, with gated access continuing to the side of the property.

REAR GARDEN

A good-sized enclosed rear garden, predominantly laid to lawn with a paved area adjoining the property. Timber fenced boundaries and gated side access. The garden currently provides a blank canvas for further landscaping to suit individual requirements.

NHBC WARRANTY

The property benefits from the remainder of its NHBC building warranty, with approximately seven years remaining.
