Albury House Lake Road, Leek ST13 8RN

Whittaker & Biggs would like to welcome you to this charming detached house, built in 1896 and located by Rudyard Lake. With accommodation spread over four floors, this property is perfect for families seeking space and versatility.

Upon entering, you are greeted by two inviting reception rooms, ideal for both relaxation and entertaining. The layout provides a warm and welcoming atmosphere, perfect for family gatherings or quiet evenings in. The four well-proportioned bedrooms offer ample space for rest and privacy, catering to the needs of a growing family or guests.

The property features a well-appointed shower room, ensuring convenience for all residents. One of the standout features of this home is the lower ground floor, which comprises cellars, workshops, and garages, providing an abundance of storage and potential for various uses, whether it be for hobbies or practical needs.

AML REGULATIONS

We are required by law to conduct anti-money laundering checks on all those buying a property.

Whilst we retain responsibility for ensuring checks and any ongoing monitoring are carried out correctly, the initial checks are carried out on our behalf by Movebutler. You will receive a link via email from Movebutler once you have had an offer accepted on a property you wish to buy. The cost of these checks is £30 (incl. VAT) per buyer, which covers the cost of obtaining relevant data and any manual checks and monitoring which might be required. This fee will need to be paid by you in advance, ahead of us issuing a memorandum of sale, directly to Movebutler, and is non-refundable.

Whilst every attempt has been made to ensure the accuracy of the floorplan contained here, measurements of doors, windows, rooms and any other items are approximate and no responsibility is taken for any error, omission or mis-statement. This plan is for illustrative purposes only and should be used as such by any prospective purchaser. The services, systems and appliances shown have not been tested and no guarantee as to their operability or efficiency can be given.
