- Striking dining hall incorporating original architectural salvage from Eaton Hall with mezzanine
- Extensive traditional stone built outbuildings including loose boxes, tack room, feed room and wood store

Isle Farm Heaton, Macclesfield SK11 0SR

A rare opportunity to acquire a beautiful and highly private stone farmhouse with an established range of traditional outbuildings and approximately 20.24 acres of pasture, rough grazing and woodland. Occupying an elevated, south-facing position, Isle Farm enjoys exceptional privacy, extensive rural views and direct access to some of the Peak District's finest walking country.

Approached via a quiet, single-track no-through country lane and then a private drive, the property offers an unusual combination of peace and seclusion while remaining conveniently accessible to the market town of Leek, approximately 10 minutes by car.

Dating from the late 19th century, the attractive stone farmhouse retains considerable character and period features alongside practical modern improvements. The accommodation includes four bedrooms, three reception rooms and a traditional farmhouse kitchen.
