Burns Croft Brow Hill, Leek ST13 5EZ

Whittaker & Biggs are delighted to offer to the market this remarkable detached house. Built in 1917, this property boasts a generous 2,131 square feet of living space, set on an impressive plot of 0.6 acres, offering both privacy and ample outdoor space.

The home features four well-proportioned bedrooms, including a principal suite complete with an en-suite shower room that benefits from underfloor heating, ensuring comfort throughout the seasons. The large family bathroom is thoughtfully designed, featuring both a bath and a separate shower, catering to the needs of a busy household.

The ground floor is designed for both relaxation and entertaining, with two inviting reception rooms: a cosy sitting room and a spacious dining room. A delightful garden room leads to the garden, perfect for enjoying the views of the expansive garden. The breakfast kitchen is a highlight, equipped with a peninsula

AML REGULATIONS

We are required by law to conduct anti-money laundering checks on all those buying a property. Whilst we retain responsibility for ensuring checks and any ongoing monitoring are carried out correctly, the initial checks are carried out on our behalf by Movebutler. You will receive a link via email from Movebutler once you have had an offer accepted on a property you wish to buy. The cost of these checks is £30 (incl. VAT) per buyer, which covers the cost of obtaining relevant data and any manual checks and monitoring which might be required. This fee will need to be paid by you in advance, ahead of us issuing a memorandum of sale, directly to Movebutler, and is non-refundable.

Whilst every attempt has been made to ensure the accuracy of the floorplan contained here, measurements of doors, windows, rooms and any other items are approximate and no responsibility is taken for any error, omission or mis-statement. This plan is for illustrative purposes only and should be used as such by any prospective purchaser. The services, systems and appliances shown have not been tested and no guarantee as to their operability or efficiency can be given.
