Description

This attractive three bedroom, three storey home known as the Souter design, offers a spacious and flexible layout, ideal for modern living. The ground floor features a open-plan kitchen/diner with French doors leading into the rear garden, along with a front aspect living room. A downstairs WC and enclosed porch add both convenience and functionality.

Upstairs, the home continues to impress with two bedrooms and a contemporary family bathroom on the first floor, while the top floor is dedicated to a main bedroom, complete with an en-suite.

Additional benefits include solar PV panels, an electric car charging point, and tandem driveway parking for two cars. With energy-efficient features and a well designed interior, this home is a perfect choice for professionals, couples, or families seeking a blend of style and sustainability.

Please note that the floorplan provided reflects the Souter design but is not specific to this property, so the actual layout may vary.
