The property would now benefit from new carpets and redecoration throughout, with excellent scope to update and improve the accommodation to suit individual needs. There may also be potential to reconfigure the layout, subject to any necessary consents, making this a fantastic opportunity for first-time buyers, investors or those seeking a rewarding renovation project.

The ground floor accommodation includes a 13'5 lounge, a separate dining room beyond, and a practical fitted kitchen with access to the rear garden. There is also a ground floor family bathroom with a shower over the bath.

To the first floor are two good-sized bedrooms accessed from the landing, with a further room accessed via Bedroom Two. This versatile space could be used as a third bedroom, nursery, dressing room or home office. Alternatively, buyers may wish to explore converting this room into a first-floor bathroom, subject to the necessary investigations and consents.

The property further benefits from gas central heating and double glazing and offers excellent potential for improvement in a highly sought-after location.

## The Outside

To the front of the property there is permit-free on-street parking, with low fencing and an iron gate providing access to the entrance.

To the rear is an enclosed bisected garden which is mainly laid to lawn with a pathway running along one side, providing a pleasant outdoor space with potential for further landscaping.
