About the Property

Offering over 1,700 sq ft of accommodation, this substantial four bedroom detached family home was built in 2022 and provides generous, well designed living space within the sought after Cringleford Heights development. Positioned at the end of a drive opposite open green space, the property is available with no forward chain.

The ground floor features a 21'3" kitchen/diner with integrated appliances and double doors to the garden, plus a separate utility room and a dining room located just off the kitchen. The 16'11" lounge also benefits from double doors leading to the enclosed rear garden. Completing the layout is a study, a spacious entrance hall, and a ground floor WC.

Upstairs, there are four double bedrooms, each with built in wardrobes. The main bedroom includes a dressing room and a four piece en-suite with both bath and separate shower, while the second bedroom has its own en-suite shower room. The remaining bedrooms are served by a family bathroom, which also offers both a bath and a separate shower.

The Outside

The property enjoys strong kerb appeal with its symmetrical frontage and desirable position overlooking the green, set within a small drive of similar homes. To the right, a double driveway provides ample parking and leads to a detached double garage, complete with power and light.

At the front, neatly maintained borders flank the entrance porch, with a central path guiding you to the front door. The rear garden is enclosed and predominantly laid to lawn, offering plenty of space for relaxation or play. An additional section of garden lies behind the garage, extending the outdoor space further. The garden also benefits from an outside tap, as well as a side gate giving convenient access back to the driveway.

The property is also just a short distance from a small park, making it ideal for families
