1 NEW BUNGALOWS

1 New Bungalows is a detached, 3-bedroom bungalow set within a generous garden and surrounded by open countryside. The property provides comfortable accommodation and is well presented throughout. The property presents great opportunity for further expansion, subject to the necessary planning consents.

Entering via the front door into a welcoming entrance hall. Immediately on the left is the bright and spacious sitting room, with open fireplace. Sliding doors from this room lead into the adjoining dining room or snug, and there is excellent scope to merge these two rooms together to create a larger living space.

The kitchen at the back of the property is a good size, well presented, with a good range of units, with a pantry and a door leading into the garden. Finally, next to the kitchen is the large utility room, with WC and a further door into the garden.

There are three good size bedrooms, two of which have large double rooms and modern family bathroom. The property also features large windows flooding the rooms with light and all the windows are double glazed units. In addition, the fascia, soffits, gutters and external doors have all been recently replaced with low-maintenance, durable and weatherproof uPVC that don't require painting.

SITUATION

The bungalow is located within the popular village of Old Alresford, a charming and peaceful village, with a good sense of community surrounded by farmland, at the southern end of the renowned Carisbrooke Valley. The village is also a short walk along country footpaths to New Alresford, a hugely popular market town which offers an array of boutique shops, cafes and supermarkets and the renowned Watercress Line Railway. For a more comprehensive range of amenities, the nearby cathedral city of Winchester offers superb shopping and cultural facilities as well as a mainline railway station to London Waterloo.

Schooling in the area is renowned, with local state schools, St. Swithun's Primary School and Peters Secondary School in Alresford. Private education includes Princes Mead, Twyford Preparatory School, St. Swithun's School for Girls, Pilgrims and Winchester College. Peters Symonds' Sixth Form College in Winchester also has an excellent reputation.

The A31 connects Alresford to the M3 motorway, providing easy dual carriageway access to the south coast and London to the north.
