The accommodation offers an abundance of versatile living space across the ground floor, perfectly suited to modern family life. A spacious family living room sits alongside a dining room with an adjoining shower room, while a cosy snug provides an additional reception area. These spaces can be enjoyed individually or opened up to create a sociable open-plan layout.

Completing the ground floor is a well-proportioned kitchen with a separate utility area, adding practicality to the home's thoughtful design.

The first floor hosts three generously sized bedrooms and a stylish family bathroom featuring both a walk-in shower and a separate bath. The landing is unusually spacious and offers room for a seating or reading area, adding to the sense of space throughout the home.

Occupying the top floor is a further bedroom with its own en-suite bathroom.

Externally, the property continues to impress. To the rear, accessed through gated entry, is a substantial enclosed garden providing an ideal space for both family life and entertaining. The grounds also benefit from a single garage with a highly useful room above, offering excellent potential as a home office, gym, or hobby space. In addition, there is a fantastic garden room complete with its own bar, alongside a separate covered seating area, creating the perfect setting for year-round outdoor enjoyment and social gatherings.
