The well-appointed family accommodation briefly comprises an entrance hall, with access to all rooms on the ground floor. There is a spacious and elegant lounge that provides a superb principal living space, featuring an attractive fireplace with a living flame gas fire. Access to a family room with views to the rear garden is via the lounge or the hallway. The generously sized breakfast kitchen / Diner is fitted with a built-in hob and oven, complemented by a separate utility room for added convenience.

A particularly useful addition is the good-sized study, created from a conversion of the original garage, which also retains a smaller storage area/workshop as well as keeping a full length garage.

To the first floor, there are four well-proportioned bedrooms, with the principal bedroom being especially spacious and benefiting from its own en-suite shower room. A well-appointed family bathroom serves the remaining bedrooms.

Externally, the property is approached and has the benefit of a double-width driveway providing ample off-road parking. The open-plan front garden enhances kerb appeal, while to the rear there is a fully enclosed, attractively landscaped garden offering a private and pleasant outdoor space.
