DESCRIPTION

Situated on a popular residential development within the sought-after village of Leedstown, this spacious semi-detached family home is offered for sale on a shared ownership basis, with a 40% share available to purchase. Prospective buyers must meet the relevant qualifying criteria set by the housing association in order to be eligible to proceed.

Light and airy throughout, the property offers well-proportioned accommodation along with an excellent opportunity for buyers looking to personalise and create a home to suit their own tastes and style. The ground floor features a generous kitchen/dining room, ideal for modern family living and entertaining, with direct access out to the enclosed rear garden which is mainly laid to lawn and provides a safe and private space for children or pets. There is also a useful ground floor cloakroom and a comfortable living area enjoying plenty of natural light.

Upstairs, the property offers three good-sized bedrooms together with a family bathroom, making it well suited to growing families, first-time buyers, or those looking to step onto the property ladder. The home further benefits from double glazing and an energy-efficient ground source heat pump, helping to provide comfortable and economical living.

While the property would now benefit from some cosmetic updating and decoration, it offers fantastic potential and currently provides a true blank canvas for a new owner to put their own stamp on. Externally, there is tandem parking for two cars positioned to the side of the property, adding further practicality to this appealing home.

LOCATION

Leedstown is a small rural village in West Cornwall, situated conveniently between the towns of Hayle and Helston, offering a peaceful setting while still being well connected to a range of local amenities. The village itself is centred around a traditional pub, the St Aubyn Arms and the village benefits from a local village school. The area is surrounded by open countryside, making it popular with those seeking a quieter lifestyle within easy reach of larger towns.

Just a short drive away, Hayle is a coastal town known for its beautiful sandy beaches, scenic estuary, and access to the South West Coast Path. It also offers a good selection of everyday amenities including supermarkets, independent shops, cafés, schools, and a railway station with links along the Cornish mainline. In contrast, Helston is a larger historic market town providing a wider range of services such as high street shops, supermarkets, leisure facilities, and the well-known Museum of Cornish Life. It also provides easy access to the picturesque harbour village of Porthleven.
