PROPERTY DESCRIPTION

Occupying a generous plot behind elegant wrought iron gates, this individual detached residence offers a rare opportunity to acquire a distinctive home with exceptional potential to reconfigure and create a truly bespoke family property. Combining attractive granite elevations with impressive contemporary glazing, the property enjoys an abundance of natural light throughout and offers spacious, versatile accommodation extending over two floors.

The welcoming entrance hall immediately sets the tone, featuring attractive stone flooring and a beautiful solid timber staircase rising to the first floor. Throughout the principal living areas, quality wood flooring enhances the sense of warmth and continuity.

At the heart of the home is the generous lounge/dining room, a bright and inviting space centred around an attractive fireplace and complemented by large patio doors opening onto the rear patio. The kitchen offers excellent scope for redesign and extension into a stunning open-plan kitchen/family space, subject to any necessary consents.

The current layout provides a ground floor double bedroom together with a modern shower room, whilst the first floor is home to an impressive principal bedroom suite featuring a spacious en suite bathroom. One of the home's most striking features is the spectacular vaulted first floor reception area, where an expansive floor-to-ceiling picture window floods the room with natural light whilst framing views over the front garden. This remarkable space offers enormous versatility and could be retained as an exceptional living room, home office or studio, or alternatively reconfigured to create additional bedrooms, making the property adaptable to a wide range of lifestyles.

Further benefits include double glazing, gas fired central heating and an integral garage offering further storage or conversion potential, subject to the relevant permissions.

Externally, the property is approached via a brick-paved driveway providing ample off-road parking for up to five vehicles. The driveway is enclosed by attractive wrought iron gates, creating both privacy and an impressive arrival. The surrounding gardens offer a pleasant outdoor setting with further scope for landscaping and enhancement.

A home of genuine individuality, offering generous accommodation as it stands whilst presenting an exciting opportunity for purchasers wishing to modernise or reconfigure to suit their own requirements. Properties with this level of flexibility and architectural character rarely come to the market, making early viewing highly recommended.
