PROPERTY DESCRIPTION

A beautifully presented and substantial family home, arranged over three floors and ideally situated in the heart of this popular village. Offering light, spacious, and well-balanced accommodation throughout, the property is perfectly suited to modern family living and is ready to move straight into.

The ground floor features a good-sized lounge along with a well-appointed kitchen/dining room, complete with patio doors opening onto a sunny rear patio—ideal for entertaining—with steps leading up to a lawned garden. The garden itself is a particular highlight, being fully enclosed and thoughtfully planted with a variety of mature trees, shrubs, and flowers. In addition, there is a utility room, a separate cloakroom, and internal access to the integral garage.

On the first floor, there are three well-proportioned bedrooms served by a family bathroom, while the second floor is dedicated to an impressive master suite, benefitting from its own en suite shower room and a walk-in wardrobe/dressing room.

Externally, the property offers a paved driveway to the front providing off-road parking for two vehicles. Further benefits include gas central heating and double glazing throughout.

This is a home that requires no work and presents an ideal opportunity for a growing family seeking space, comfort, and convenience in a desirable village location.

LOCATION

Tremedhyk Terrace sits in the village of Connor Downs, a friendly and well-connected spot in west Cornwall. The village has a relaxed, community feel, with a petrol station with a local shop, pub, primary school, as well as a WI Hall and the popular Trevaskis Farm shop and restaurant, making it a convenient and well-served place to live day to day. Its position just off the A30 also means it's easy to get around, whether you're heading further into Cornwall or commuting nearby.

One of the real highlights of living here is how close you are to the coast. Gwithian Beach is only a short drive or bus ride away and is known for its wide, golden sands, rolling dunes, and popular surf conditions. It's also a fantastic spot for walks and sunsets, with sweeping views across the bay towards the iconic Godrevy Lighthouse sitting on its rocky headland just offshore.

The nearby town of Hayle adds to the appeal, offering a good range of shops, supermarkets, and places to eat, as well as a train station for easy travel further afield. Hayle's harbour and long sandy beaches make it a lovely place to spend time, and having it so close by gives you the best of both a quiet village setting and easy access to everything you might need.
