This particular apartment has plenty of space whilst still being very easy to manage, with plenty to set it apart. It is a much more securely located apartment, being on the first floor, with a southfacing living room and double bedroom providing natural light and warmth throughout the day.

A private entrance hallway leads to a very comfortable living room which has a central fireplace for colder winter evenings and easily accommodates a three piece suite with room to spare for a dining table. Perfect for having all the family over to visit together. The bedroom is a great size and comfortably fits a double bed. Built in wardrobes, there is still room for two bedside tables and a freestanding wardrobe included in the sale, as well as a chest of drawers, providing plenty of space to display all your family photos. A fully tiled three piece bathroom with a separate free standing electric shower cubicle and vanity sink with cupboards under. The kitchen is a good size being fully fully with lots of storage above and below the worktops so there is no need to downsize your favourite china and crockery.

Immaculate throughout with neutral carpets and decor.
