2018 Willerby Rio Gold 3 Bed - Location: Port William, Dumfries and Galloway

Viewings Available By Appointment Only

The Willerby Rio Gold is a fantastic caravan to say its one of the introductory entry level caravans in the Willerby range.

What makes this stand out compared to the other is the wonderful wood styling throughout, light colour arrangement and modern style kitchen.

The abundance of storage available is second to none which is unusual at this level. This caravan comes prepared for the colder winter months with its full UPVC double glazing throughout, central heating and winter insulation pack.

Its cozy comfort feeling in the lounge certainly offers an abundance of space so you can spread out and enjoy your holiday time. The stylish bright curtains brings in a fresh appeal brightening up the open plan feeling even more.

This caravan will certainly make you feel right at home and perfect for a large family because of the good sized 3 bedrooms
