The accommodation offers an excellent sense of space throughout, with a generous entrance hallway which has previously been used as an office area, a ground floor WC, a large integral garage, and well-presented first floor living accommodation. The main living room is a particular highlight, offering an impressive amount of space for both relaxing and entertaining, while the kitchen provides a practical fitted layout with room for seating. Two bedrooms and a bathroom complete the first floor, making this an ideal home for first-time buyers, downsizers, investors or anyone seeking a low-maintenance home with parking and garage space.
