

**Eelholme View Street, Keighley, BD20 6BD**

**£875 Per Month**

**Council Tax Band: A**

Nestled in the popular area of Beechcliffe, Eelholme View Street presents a charming mid-terrace house that is perfect for families or those seeking a comfortable home.

The house features three well-proportioned bedrooms, ensuring that there is plenty of space for everyone. The single reception room is inviting and offers a warm atmosphere, ideal for family gatherings or quiet evenings in. The property also includes a bathroom, catering to the needs of modern living.

One of the standout features of this home is the lovely garden, which provides a private outdoor space for gardening, play, or simply enjoying the fresh air. The location in Beechcliffe is highly sought after, known for its community spirit and convenient access to local amenities.

This property will be available for new occupants from mid-September, making it an excellent opportunity for those looking to settle into a new home in a vibrant area. With its blend of character and practicality, this mid-terrace house is sure to appeal to a wide range of buyers or renters. Do not miss the chance to make this charming property your own.

Keighley

| Energy Efficiency Rating                    |                         |           |
|---------------------------------------------|-------------------------|-----------|
|                                             | Current                 | Potential |
| Very energy efficient - lower running costs |                         |           |
| (92 plus) A                                 |                         |           |
| (81-91) B                                   |                         |           |
| (69-80) C                                   |                         |           |
| (55-68) D                                   | 59                      |           |
| (39-54) E                                   |                         |           |
| (21-38) F                                   |                         |           |
| (1-20) G                                    |                         |           |
| Not energy efficient - higher running costs |                         |           |
