AGENT'S NOTE

TENURE: LEASEHOLD

We understand the property has a 99 year lease, from 06/06/2014, leaving approximately 88 years remaining.

SHARED OWNERSHIP: The marketing price of £160,000 is for a 50% share of the property.

The remaining 50% is owned by Orwell Housing Association. We understand there is a current monthly rent payable of £297.34 per month for the remaining 50%, to the Housing Association, for the period 01/01/2025 - 31/12/2025. We understand that suitable purchasers could potentially purchase a greater percentage of the shared ownership, subject to specific terms and eligibility criteria. Alternatively 100% of the leasehold property may be available, subject to discussion with the Housing Association.

We understand the rental figure includes Buildings Insurance, and there is no Service/maintenance charge.

SHARED OWNERSHIP ELIGIBILITY

ELIGIBILITY FOR SHARED OWNERSHIP:

Shared ownership is for those that cannot afford to purchase a home on the open market, which would be suitable for their needs, in the area they require, and do not have a household income of £80,000 or more, and do not own or have their name on any other property.

LOCAL CONNECTION CRITERIA:

The property is eligible to those that live, work or have immediate family within the Mid-Suffolk District Council area.

PROTECTED AREA LEASE:

Applicants may buy the 50% share from the current shared owners, or purchase further shares in addition to the 50%, from Orwell Housing Association. This property is in a protected area, so if shares were bought up to 100%, the shared owner would become 100% leaseholder, and a mandatory buy-back provision would become applicable, should the 100% leaseholder wish to sell. This means that the housing association would re-purchase the property at the then market value, as assessed by a RICS valuer. This is to ensure that the shared ownership property can be made available to another applicant, and not lose the provision of the affordable shared ownership home.
