## Description

**A well presented semi detached family home, situated in a quiet cul-de-sac with solar panels, solar thermal, large gardens and excellent potential to extend (STPP).**

- Semi-Detached
- Garage & Off Road Parking
- Well Presented Throughout
- Generous Plot
- Viewings Recommended

The property comprises an ex-local authority semi detached family home of traditional brick construction with rendered elevations under a tiled roof. The house is heated by modern infra red wall mounted panel heaters, with the costs off set by the solar panels, which together with the solar thermal hot water panels and wood burner make for very low energy costs. The house sits on a generous plot with a number of vegetable beds, a very unique garden room, and overall there is excellent potential to extend and modern this house into a large family home. Viewings are strongly advised.

The accommodation in brief comprises; half glazed uPVC door into Entrance Porch; with a tiled floor, part glazed solid wooden door into Entrance Hall; with understairs storage cupboard. Living Room; with double aspect, wood effect laminate flooring, wood burner inset into chimney breast with slate hearth. Dining Room; with aspect to rear, wood effect laminate flooring, French doors to the rear garden, Wood Warm multi fuel burner inset into chimney breast with slate tiled hearth. Kitchen; with aspect to front, built in pantry cupboard, a mix of white and open fronted cupboards under a solid oak worktop with inset stainless steel sink and drainer, mixer tap over, space for electric cooker, space and plumbing for slimline dishwasher, space and plumbing for washing machine, space for tall fridge-freezer, door to rear lobby. Door into Downstairs Shower Room; with corner shower cubicle, tiled surround, thermostatic mixer shower over, low level WC, wash basin with tiled splashback, heated towel rail.

Stairs to the first floor Landing; with window enjoying far reaching views over the surrounding farmland, airing cupboard housing hot water cylinder with immersion switch. Bedroom 1; with aspect to rear. Bedroom 2; with aspect to rear and pine fold down ladder to the Loft Room; which is insulated, carpeted, has good eaves storage power points and two Velux windows with far reaching views. Subject to any necessary planning permissions or building regulations, this room could quite easily be converted into a permanent and superb principle bedroom. Bedroom 3; with aspect to front, again enjoying far reaching views. Bathroom; with tiled floor, tiled walls, white suite comprising panelled bath, mixer shower attachment over, WC, wash basin.

The front of the property enjoys a good, sized garden which is much larger than average with a Tarmac driveway affording off road parking for three-four vehicles. There is access into the Garage; with double doors, power and lighting. A potting shed, low level vegetable beds and numerous fruit trees are all situated the front. To the rear of the property there is an enclosed garden with an established apple tree, a paved seating terrace and access to a garden store. Within the garden, there is a bespoke built timber "hobbit-style" cabin with grass seeded roof which will remain with the property and benefits from power and lighting and would make an excellent studio or children's playroom.
