Summary

School House is a stunning detached family home, intelligently designed to incorporate original features and contemporary living. The property has unique retained features, dating back to 1890 when it was the village School House. Today, it boasts expansive family rooms which flow beautifully from the kitchen/ breakfast room heart of the house, to conservatory, dining hall and lounge.

The four bedrooms are stunning, each with its own unique features and high ceilings create light filled rooms. The T shaped landing provides a lovely view of the dining hall, with mullion windows to the rear, and historic transcript engraved above the exterior rear dining room doors.

There is ample parking and convenient access from the rear of the property, accessed via Tallidge Close, which leads off Church Road. Twin garages, carport and further drive provide parking for four vehicles. The gardens are beautifully maintained and provide a private haven of tranquility, with shrubs and flowers, large patio, and pathways leading to the front door, and a 'secret pathway' to Preston Road.

The location couldn't be more convenient, with easy access to coastal and seaside paths, and nearby countryside walks and bike routes. There are a number of local independent stores, doctor, hairdresser, convenience shops and village pubs in both Sutton Poyntz and Preston. Bus routes and road links provide easy access to both Weymouth, Dorchester and Bournemouth.
