what the owners will miss

“After nearly thirteen years living on Lydiard Croft, we will miss it because it is a quiet street away from the main roads. Our house is spacious and open. The garden is private and not over looked from behind, which backs onto the Hanham Academy school field. It is a very quiet area with good neighbours.”

just a thought...

If you hadn't considered this era of house before, a viewing is essential. Deceptively spacious, beautifully presented with a lovely open aspect to rear. Homes of this quality are rare to the market.
