Haslingfield is a lovely, traditional village about 4 miles south west of the City boundary. It is far enough out that it does not carry significant through traffic, but close enough to offer easy access, in particular by bicycle across a network of bridleways and permissive routes to Grantchester, Trumpington and Harston.

Within the village there is a local primary school rated good by Ofsted and the area falls within the Comberton Village College catchment area. There is a post office and general store and excellent café. The thriving community has various sporting and social clubs, groups and societies.

There is also a village hall, Indian restaurant , excellent playground and recreation ground and separate skate park.
