Property Summary

Occupying a generous plot in one of Higher Penwortham's most sought-after residential locations, just a short stroll from the excellent amenities, independent shops, cafés and transport links of Liverpool Road, this substantial detached dormer bungalow presents a rare opportunity to acquire a home with exceptional versatility and enormous scope for enhancement.

Lovingly owned and enjoyed by the same family for many years, the property offers spacious and adaptable accommodation that is perfectly suited to a wide range of purchasers. The existing layout provides flexible living, with one or two reception rooms and a ground floor bedroom, if required, alongside two further double bedrooms and a spacious four-piece family bathroom occupying the first floor.

A significant rear extension has created an impressive principal reception room, offering ample space for both formal dining and comfortable everyday living, while the separate fitted kitchen benefits from its own convenient side entrance. The first-floor accommodation is currently arranged within a loft conversion, and purchasers may wish to explore the opportunity to enlarge the existing dormers to create an even more substantial first floor, subject to obtaining the necessary planning consents and building regulations approval.

Externally, the property is equally impressive. Set well back from the road, a generous driveway provides off-road parking for several vehicles and leads to a detached single garage. To the rear, the sizeable enclosed garden enjoys an extensive lawn, patio seating areas and excellent privacy, providing an ideal setting for family life, outdoor entertaining or future extension. Given the overall size of the plot, there is considerable potential to further extend or reconfigure the accommodation to create a truly exceptional family residence, subject to the necessary permissions. Viewing comes highly recommended to fully appreciate the potential this property has to offer.
